Go to http://get.adobe.com/flashplayer/
and get the latest flash player

Adobe PDF reader

Go to http://get.adobe.com/reader/
and get the latest pdf reader

General Requirements

1. Screen Resolution

We recommend screen resolution of 1024 x 764 to view the content

2. Internet Connection Speed

EducoSoft requires an Internet connection with a minimum connection speed of 56 kbps(kilobits per Second) but high speed connections (such as DSL, Broadband or T1) is highly recommended.

3. Pop Up Blocker

You must disable your pop-up blocker when using EducoSoft or allow pop-ups for domain educosoft.com.

4. Browser settings: cookies and JavaScript options

EducoSoft uses both cookies and JavaScript technology. Both of these features must be turned on in your browser, and are usually turned on by default. See your browser Help for instructions on how to view or change these browser options.

Automatic System Check

Enter Login Information and click on login

When the user clicks on login button, the application will automatically check for

- **Pop up blocker**
- **Correct Browser**
- **Flash Player**
- **Adobe PDF Reader**

If your machine doesn't have the right configuration or software, then information is provided to correct the issue before proceeding.

Detect Missing Requirements

This page is displayed only after you click on login and your system does not meet requirements.

If your system has the supported OS and browser, correct resolution, Pop up blocker disabled, Flash player and Adobe PDF Reader installed, then you will not see this page

EducoSoft
education @ your fingertips

Your system does not meet some of the requirements for using EducoSoft.
Please check the items marked 'x' and follow the instructions given in the comment column.

Requirement	You have		Comment
